

IMPORTANT ANNOUNCEMENT

QMT's ANTI ABUSE POLICY.

As you all know the authorised volunteers, Service Comm. and Trustees (hereinafter collectively called "the Volunteers") give up their time so that you can attend to your salat in a safe and peaceful environment.

Over the past year we have noticed that many people insist on not following requests made by Volunteers or arguing. For example, about not parking outside or surrounding roads, where to park in the car park, not following the rules of the Masjid about not speaking when others are praying or moving forward to fill spaces etc, etc

Despite many requests and notices many people still feel that they do not have to follow the rules or requests made by Volunteers and are in many cases disrespectful or abuse the Volunteers. This is not acceptable and is wholly un-Islamic.

As a result of recent incidents the Trust has decided to implement a ZERO TOLERANCE policy against any type of abuse against any Volunteer or in fact anyone.

This means that with immediate effect if any person abuses or refuses to follow any request related to the Masjid made by any Volunteer then that person will be denied access to the Masjid and they should go elsewhere.

The vast majority of people are wonderful but a sizable minority think that they can ruin it for everyone. This will no longer be allowed.

The Trustees, Service Comm. and volunteers thank everyone for their co-operation.
